

REVISED Elementary Caravan Schedule 2011
for
Reading and English Language Arts
Grades K-6

Please note that we have rescheduled several caravan sites that were cancelled due to snow. We hope that you will be able to send teachers to see all of the exciting Common Core Ready reading and English/language arts resources.

Local selecting committees and other interested persons may attend the caravan location that is nearest or the most convenient for you. Formal presentations of the new state recommended core text for reading and English language arts will be made at each location. There is no need to register to attend the caravan. Please see the schedule in the enclosed letter or visit our website www.arktpa.com for more information.
